Welcome...

Admiral Arms, Seattle bed and breakfast in the University District is a fine alternative to a hotel or inn providing b&b lodging accommodations near the University of Washington for faculty, business or vacation and is only a three minute walk North of the UW campus of Washington.edu which is also home to the Husky Stadium, University Hospital etc., and the nearby Seattle Children's Hospital. Down town Seattle, and the convention centre etc. can be reached in a few minutes by car or public transport.

Admiral Arms Bed and Breakfast Seattle is a recently restored, detached Victorian lodging now offering pleasing old world charm in the residential area of the historic UDistrict, Seattle, WA., We aim to offer a true English bnb guesthouse experience with warm hospitality, tastefully decorated rooms and a relaxed atmosphere for vacation or business. All suites/rooms have private bathrooms and off street parking is available.
