## Rooms

### Comfortable Rooms

With beautifully appointed and exceptionally spacious guest rooms – the majority equipped with seating areas – our property gives you a “residential” feeling. The Ashmore Inn and Suites offer an array of amenities for the most discriminating traveler.

### Roomy and Functional

For the business traveler our room features include a spacious well-lit work desk and a phone with computer data port and voice mail. All rooms offer complimentary high speed and wireless internet access. Our rooms feature a choice of a traditional King size bed or two Double/Full beds. The maximum occupancy of these rooms is four people.

## Suites

**King Executive Suites:** The 702 square foot King Executive Suites is contemporary in design with a residential floor plan. These suites feature a generous dressing area, a full sofa sleeper, two televisions, and a cordless phone for your convenience. The expansive living space can easily accommodate an intimate gathering for entertaining, company interviews, or a small corporate meeting for up to 8 people.

**Bay Suite:** The spacious one bedroom, two room, Bay Suite offers a great value with privacy from the kitchenette, and large living area with a sofa sleeper. This Suite features a cordless phone and two televisions for your convenience.

**Studio Suites:** Our Studio Suites provide a semi-private sleeping room with a comfortable seating area and kitchenette - great for those needing extra space. Our Studio Suites give you the option of a traditional king-size bed, or two double/full beds each with a twin sofa sleeper. The studio suites have all the amenities of the traditional guestrooms, with the added space to make your extended stay more comfortable.

**Corporate Apartment:** Our Corporate Apartment is Amarillo’s best kept secret when it comes to relocating, remodeling, selling your home, or needing a temporary place to live. You can move right in, feel at home, and get down to business.
