Suites

Executive Suites

The 572 square foot Executive Suites are contemporary in design with a residential floor plan. These suites feature a generous dressing area, a full sofa sleeper and two televisions. The expansive living space can easily accommodate an intimate gathering for entertaining, company interviews, or a small corporate meeting for up to 8 people.

Studio Suites

Our Studio Suites provide a semi-private sleeping room with a comfortable seating area and kitchenette – great for those needing extra space. Our Studio Suites have a traditional king-size bed with a twin sofa sleeper. The Studio Suites have all the amenities of the traditional guestrooms, with the added space to make your extended stay more comfortable.

Around the Inn

Meetings

Meeting Facilities

The Ashmore Inn and Suites is the ideal setting for receptions, board meetings, training sessions, client entertaining, and special events. While many aspects of planning a function may seem a daunting task, our staff is here to make it effortless. Our amenities include exceptional meeting facilities offering multiple configurations to compliment your group size and many reputable catering companies to choose from.

Attention to Details

We provide equally customized service for small or large groups with an array of state-of-the-art audio/visual and equipment rentals available. Personal assistance from our Sales Department and our experienced event staff ensures meeting planners and their clients top level service and attention to every minute detail.
