The Bingham Motor Inn and Sports Complex is the destination in Maine. We offer both single rooms and suites for families and groups. The total complex consists of two separate structures, the first being an L-shaped building featuring 17 units with ample parking. The second building is an impressive farmhouse with an attached barn, with the original posts and beams, that dates back to 1858. The main office is located in this building as well as three new rooms above, two of which have a private deck overlooking the beautiful mountains and the Kennebec River

We have a 20 x 40 foot in-ground swimming pool, with a diving board and a light for night swimming, and a jumbo hot tub/Jacuzzi!!! This, along with barbecue grill, lawn chairs, two 3 person swings with canopies, basketball hoop, picnic tables, and lawn games, gives our guests a chance to relax and enjoy themselves.

We have a sports store in the main building with our federal firearms license, guns, ammo and other sporting goods available. Also, we have snowmobile parts, belts, plugs and other accessories.
