Getting Here

Luna Vista is located 2.5 miles down private, forest and county dirt roads with varying levels of maintenance. Motorcycles and low clearance vehicles are not recommended.

From Phoenix and points south: Interstate Highway I-17 North to Exit 293 (McGuireville - Rimrock - Lake Montezuma - Montezuma's Well.)

From exit ramp, after STOP sign proceed straight. Exit road becomes Beaver Creek Road. Follow the Moons to Luna Vista B&B. Take Beaver Creek Road 0.75 miles to Brocket Ranch Road - first road on the right. Now leaving the pavement behind - proceed 0.85 miles on this graded dirt road to the first road on the right - Dragonhead Road. Turn right on Dragonhead Road - proceeding *****SLOWLY***** 0.3 miles to end of road and a large working horse ranch and training arenas. Proceed **SLOWLY**, turning left at ranch (crescent moon sign) and follow road around ranch (watch for grazing horses on road) and down the hill along the Coconino Forest trail (Cross 2 Ranch Road) about 0.6 miles. Near the bottom of the hill, bear right proceeding **SLOWLY** down an extremely rocky portion of Forest road to meet Reay Road. At Reay Road (crescent moon sign) turn left and precede 0.6 miles **SLOWLY** crossing over (believe it or not, a speed bump) then a single lane bridge over Beaver Creek. To your left, you will see a rock cave and swinging footbridge crossing the creek. Continue along the main road where you will come to a fork-star in the road. At fork-star, follow posted sign for Reay Road (and the crescent moon sign), continuing another 0.2 miles to Luna Vista's electronic gates - 1062 East Reay Road on a big red rock. Push call button on rock for entry.

From Flagstaff and points north: I-17 South to Exit number 293. Right at Stop sign at end of Exit ramp. Follow signs for Lake Montezuma and Montezuma's Well.

Follow same directions from Beaver Creek Road to Brocket Ranch Road to Luna Vista B & B.
