One block from the beach! Experience turn-of-the-century charm by the sea at the Santa Barbara Old Yacht Club Inn. This quaint Inn is housed in two historic homes located in a typical Santa Barbara beach side community.

The original house is a California Craftsman built in 1912 on the beach on Cabrillo Blvd. In the 1920's it was used as the Santa Barbara Yacht Club when their clubhouse was washed out to sea in an unusual winter storm. The house was moved to its current location in 1928. It is the only B&B in Santa Barbara with a beach location.

The house was lovingly restored in 1980 and has been completely upgraded over the years it has been used as the Inn. The Inn was expanded with the addition of the Hitchcock House next door in 1983. Both homes are comfortably furnished with antiques, Oriental rugs, colorful fabrics and wallpapers that capture the warm hospitality that is the trademark of the innkeepers themselves. All rooms have telephones and private bathrooms, some with whirlpool tubs. Enjoy a room with a balcony, patio or private deck to take in the outdoors from your room.

In the evening there is a hosted social hour where guests are invited to meet and enjoy wine and beverages. Fresh flowers and a decanter of sherry welcome you in all guest rooms.

The Old Yacht Club House offers four sunny guest rooms upstairs plus the Captain's Corner Room downstairs with its own private deck.
